Geoff -

It sure is hard to write all this stuff when you're graduating. I'll really miss all the guys in the Sengon, especially you and Warren. You guys are really the best & I only wish I could have gotten to know you sooner. I hope that we will be able to make some more trips together (cause you're so nice). I'll have to come up to C.O.P. & see you guys. I sure hope to see you guys after graduation. Have fun on your trip to Mexico - & good luck to one of the best yours in Sengon

The Shop (Tom Pletcher)

P.S. I am making a graduation present of the 80 & you owe me

Dear Geoff -
Can't believe we're actually graduating! I've had more fun from knowing you and especially hearing you to death on the jacket stuff. Do have lots of fun & I.O.P. and I know you'll be successful - you're well deserving! I know when I'm old and young my memories of these last five years will be just the much better thinking of you (age 5 sound dramatic) anyway lots of love
Rae

Here's to a swell guy - you really had a fine year this term - lots of luck to you

Geoff!
Well this is it. We made it. I'll probably see you before you start C.O.P. But I'll see you there. I hope you will include me in a few of your memories. (Favorable memories preferably). Never wishing you the best of everything in your future work.
P.S. whenever I'm out of smokes I'll be thinking of you.
Warren

DEAR GEOFF -
I AM GLAD AS HELL I GOT TO KNOW YOU THIS TERM. I HAVE REALLY ENJOYED OUR LITTLE DISCUSSIONS AND WORKING WITH YOU ON THE JACKET. HERE'S HOPEING WE'LL BE EVEN BETTER FRIENDS AFTER GRADUATION. LOVE ALWAYS
AL (ALFIE) TIERMAN

You put out a cool jacket. But it wasn't hot enough (to) loads of Confetti.

Dear Geoff,
It certainly doesn't seem possible that we're going to graduate. I sure hate leaving all my friends (I consider you, me) but whatever you do, I hope I will see you after graduation. I will see you after graduation. I hope to see you after graduation. I hope to see you after graduation.

Geoff,
I only hope we can do as good a job on the jacket as you did & believe me, I'll do my best.

Dear Geoff,

As I sit signing time rolls around again, my mind is emptied of things to say!

But I have really enjoyed working with you and Rae on the jacket this term. In spite of all the kidding and ribbin' tossed around from all sides I do think you were a wonderful editor and certainly deserve the best of everything. You're a swell joe, Geoff, and I hope I'll see you around after graduation.

PRINCIPAL'S MESSAGE

As I stand here near the Auditorium framework, I think of the associations I have had with your class during the past three years. Although you have been small in number, you have made up for your smallness by fine leadership and cooperation.

The culmination of your three years was the past semester, and I want to thank you for all you did for our school.

When our Social Hall was closed, and we were forced to postpone the "Varieties," the High Seniors met this emergency with the finest spirit and cooperation which has ever been shown. When the Senior Play had to be moved away from our school grounds, this same fine spirit was shown and another excellent Senior Play was recorded on our books. It was the enthusiasm of the High Senior Class which helped bring to the attention of the citizens of Berkeley the need for a new Auditorium, and I hope most sincerely that your efforts will continue after you have been graduated from high school, and that some day, in the not too far distant future, you will be able to return as citizens of Berkeley and enjoy the productions which this school will be able to do when we have the needed and necessary facilities.

A pat on the back and my personal thanks for each one of you.

Dear Geoff -

I'm sorry for all the thoughts that you've held against me and I hope that you will only remember the pleasant things and forget the unpleasant. Thanks a lot for the wonderful times we've spent together, the Senior Ball was terrific and it's been a long time when I had such a wonderful time at a dance. I'm only sorry that we've only been acquainted, really, since the beginning of our last term.

Best of luck to a wonderful guy. I know that in whatever you do you will be a success. Only promise me you won't be the editor of a Hearst newspaper.

Best of luck and good wishes -

For some two hundred seniors at Berkeley High this will be the last POD. Although materially the book is like others, to the seniors it is different. Each group picture and candid contains more familiar faces than ever before and the names are those of yourself and your friends. The last POD is something to keep and look at every once in a while for it will bring back happy memories of high school life.

B. O. C.

We have tried to accomplish something this term and I think we have been successful. This term has been topped off with a championship football team, which started on its title march against Piedmont in the Cal Memorial Stadium and ended it with an undefeated season which made Berkeley one of the top teams on the coast.

All our achievements prove that Berkeley High School is deserving of all the honors bestowed upon it in athletics, scholarships, and the other activities.

There is an old saying that "any government is directly representative of its people." I believe this saying tells you the reason why this term has been a successful one.

Looking back over the last five months we see our hopes turn into realities. They seemed to be headaches when we were working on them but now that it is done we can look back and see how much fun it really was. I would like to thank the student body for letting me have some of this fun.

Here's wishing the best of luck to all of you.

Thank you again, and goodbye.

GIRLS' ASSOCIATION

In the fall of 1912, the Girls' Association came into being. It was born out of a desire for more friends, social activities and to stop exclusion of girls from athletic activities, Forum, and other school groups. The girls raised money by holding sales and offering entertainment, and with this money bought vases, desk sets, party equipment, etc., to benefit the whole student body. They served tea for the P.T.A. and other organizations, which gave the members practical experience in serving.

During the first World War the girls did a great deal of work and contributed to the Red Cross, Y.M.C.A., Italian Relief, and related groups.

An improvement committee helped furnish the new Academic Building and Gym with extra things to make it seem more like home.

These are just a few of the many things accomplished by the G. A. throughout the years.

This term has been very different from any ever experienced in Berkeley High, not only for the whole Student Body, but for the Girls' Association too, as a vital part of our Student Body. This term started out as usual for us. We gave our dance, "Turnabout," and it was a big success. Sal Carson's Band was very good, as were Ruby Young's decorations, and the excellent spirit of everyone there really "put the dance over". Then came the bombshell, no more shows or assemblies in the Social Hall! None of us realized at first just what it would mean to have no place to hold activities and social functions. Only now are we beginning to see what it's going to be like, cancelling some assemblies and trying to make other arrangements for others. For this reason, I cannot list here the many things the G. A. has done this term, nor will I mention the things we had planned to do. I know, as does everyone else, what the Girls' Association will do in the future, when they have the proper facilities.

I want to thank you all for helping make this term the most wonderful five months of my life.

ANDY MIROV
Honor Society President

HONOR SOCIETY

The Berkeley High School Honor Society was founded in 1926 as an independent organization. This term finds its membership 172 strong.

Membership is not based entirely on scholastic ability. It may be gained in several ways although at least 75% of the requirements must be fulfilled by scholarship. The other 25% may be gained through scholarship or by participation in school activities ranging from athletics to drama. In fact active participation in school activities has become standard practice whether the member has need for the credit or not. Thus the Honor Society is a well rounded group. Members may be found in many other student functions.

After two consecutive terms as a member, the student is given a special privilege membership card. This card may be used in place of a library permit, single period permit and written excuse for absence. In this way Honor Society members gain more than just prestige during their high school years.

As is the custom, the Honor Society had a very successful picnic this term at Codornices Park. An afternoon of sports and entertainment, highlighted by plenty of good food, was thoroughly enjoyed by all.

This term's officers along with our sincere, hardworking sponsor, Miss Jones, deserve many thanks.

The Honor Society is ever striving to help produce better leaders for tomorrow. I'm quite sure that the great majority of the successful graduates of Berkeley High School were once members of the Honor Society.

ANDY MIROV.

C. S. F.

The main purpose of the California Scholarship Federation is to foster a higher standard of education and broader ideals of service on the part of high school students.

The motto of this organization, Scholarship for Service, has been well carried out this term by the Berkeley High School Chapter of the C.S.F.

Since students often underemphasize the importance of scholastic achievement, the C.S.F. tries to encourage students to maintain high grades throughout high school. In this way the C.S.F. has played an active part in retaining for Berkeley High School for the third year, the highest scholarship record at the University of California.

For the benefit of C.S.F. students who have transferred from one California high school to another, contact is kept up with the state-wide organization by our sponsor, Miss Jones.

The C.S.F. this term consists of 127 members who not only hold the highest scholastic standards in the school, but also participate in many school activities. Representatives of the C.S.F. can be found taking an active part on the Board of Control, Rally Committee, in the Senior Friends, Girls' Association, various athletic teams, music and dramatic productions, and many other clubs and organizations at Berkeley High School.

In the future let us hope that the C.S.F. will grow in both importance and size and that its members will carry on their activities of Scholarship for Service.

FORUM

Forum, which is the oldest student organization in Berkeley High, this year underwent certain changes, one of the most precedent breaking being the changing of the weekly meeting from Tuesday to Wednesday. Of course, Forum's fundamental purpose of giving its members a chance to air their views on topics of current interest has been maintained. We have, however, supplemented the traditional debates on national and international issues with panel discussions on such topics as college education and grading systems in the high school.

This term, too, we have instituted a policy of inviting guest speakers which not only Forum members but all students are invited to hear.

The highlight of the Forum year, its picnic, was not absent this term. It capped a both unusual and successful term made possible by the sponsorship of Miss Coffin, and the assistance of Hope Russell as commissioner of programs, Nona Cheatham as secretary, and the fine support of the Forum members.

JOEL GORDON
President

FORUM

DEBATE TEAM

Compulsory arbitration of labor disputes in basic American industries was the question chosen for the traditional verbal clash between Berkeley High and Oakland High this term. General tryouts were held to choose the speakers and the successful candidates selected to uphold the affirmative were Alison Gilbert and Jack Brode; Carol Colbie and Arleen Tunison were selected for the negative team. Our negative speakers went to Oakland High on Thursday, December 11, where a lively discussion of the issue was presented before the Oakland Forensic Society. On Friday, December 12, Oakland High sent its negative to meet our home team in the Little Theater. This final debate was held under the auspices of the Berkeley High School Forum. Joel Gordon was chairman for the occasion, and the formal debate was followed by audience participation.

DEBATE TEAM

THE SPEAKERS' BUREAU

The Speaker's Bureau had for its biggest project this semester, the speech program for the Berkeley Community Chest. Many speakers were sent out during the drive to address churches, service clubs, P.T.A. groups and other community organizations.

The largest project within the school was the assistance rendered the POD in putting over their sales campaign in the individual home rooms.

As in the past, speakers appeared at each meeting of the American Legion. The interest of the Bureau was also enlisted in providing entrants for the Radio Public Speaking Contest sponsored by the Junior Chamber of Commerce in competition with other East Bay high schools. Berkeley came through with first place honors in the contest. The final project for the closing of the term is a series of programs on Youth Problems in the City of Berkeley. The members, by way of preparation, were addressed by Mrs. Gamba and Officer Riedel, heads of the Juvenile Division of the Berkeley Police Department and Mrs. Hicks, Chairman of the Adult Council of the newly projected Berkeley Teen Age Center.

Staff at last at the school

 settled down.

PRO MUSICA

The Pro Musica Club was started six years ago as a piano club with only eleven members by its sponsor, Mrs. Dorah Dooley O'Neill. It is open to any student interested in music. The members provide programs for many charitable and civic affairs as well as providing entertainment for the club's social gatherings. The membership has risen to over one hundred members.

This term was a very successful one represented by the following officers: President, Jackie Cifuno, Vice President, Dana Elmore; Secretaries, Carol Doolittle and Marilyn Crawford; Treasurer, Janet Parer; Program Chairman, Jeanette McPherson, Marion Lyman, and Howard Ruff; Social Chairman, Joe Sibilia and Pat Mahoney.

The club's activities were many this past term. A noon-time show was presented with talented members of the club providing the entertainment. On November 25th a box social and dance took place, and on December 5th an evening program was presented for Pro Musica members and a guest entertainer, Mr. Warren Goodrich, a very talented cartoonist, drew amusing characterizations.

My personal thanks to all the members and Mrs. O'Neill who cooperated so wonderfully. Thanks again for a wonderful term.

PRE-SEASON GAMES

In their three practice games of the season, Berkeley High's Yellowjackets were quite as successful as they were in ACAL competition.

In their first game of the year, the Jackets defeated St. Mary's eleven by a score of 26 to 0.

The following week, over 400 Berkeley rooters traveled to Stockton by a special train to see the Jackets win their second game, 18 to 0. In the first quarter Berkeley scored twice, once on a 38-yard pass from Peterson to McDonnell and later nailed a Stockton runner in his own end zone for a safety and two points. The Jackets tallied another safety in the second quarter and added a touchdown in third to finish the scoring.

Winding up their pre-season encounters Berkeley met a team which was undoubtedly their toughest foe in the C. K. McClatchy Lions from the Capitol City of Sacramento.

The Lions dominated the play the first half, and when the gun sounded leaving BHS trailing by a score of 13 to 7, Jacket spirits were low.

However, a rejuvenated Berkeley team started the second half. Within two minutes the Jackets had scored seven points and led 14 to 13. The rest of the game saw the Lions start drive after drive, only to have the Jacket line stiffen and hold. When the final gun sounded, Berkeley still led and remained undefeated.

PIEDMONT GAME

In their first league game of the season, the Berkeley High Yellowjackets overcame a six point deficit and triumphed, 19 to 6, over their traditional rivals from Piedmont. The game was played in the California Memorial Stadium before more than 10,000 prep fans.

The Clansmen threw a scare into Berkeley when, on the first play of the second quarter, fleetfooted Bill Langan took a flat pass from Don Weeks on the Jacket 34 yard line and outran the Berkeley secondary to score their only touchdown of the day. All-county Fullback Don Weeks' attempt for the extra point failed.

From that point the game was all Berkeley's. The first Jacket score came midway in the second period after a sustained drive from midfield. Peterson scored from the one yard line on a line buck. Gerry Geernaert's conversion kick was blocked and the score was tied at half-time.

On the last play of third quarter little Johnny Flemming intercepted Weeks' pass and returned it to the Highlanders' two yard line. The Clansmen put up a stubborn defense for three plays until Bill Lawton finally scored and gave the Jackets a six point advantage.

Al Peterson later scored again on a sixty-yard touchdown jaunt and Geernaert finished the day's scoring by making the conversion.

HAYWARD GAME

Keeping their undefeated slate clean, the Yellowjackets defeated Hayward 27-7.

The Farmers scored their first and only T.D. early in the second quarter when Hayward broke through and blocked Peterson's kick on the Jackets' 12, with Hayward recovering.

After making their conversion good, Hayward led 7-0 'till half time.

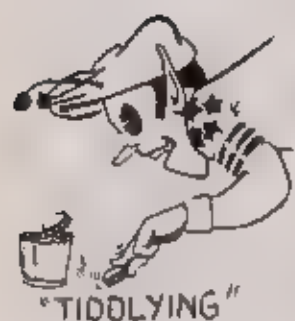

Early in the third quarter Berkeley recovered a fumble on the Farmers' 11 yard line. Fehely picked up 3 yards through center, then Peterson raced around end for 8 yards and 6 points. Geernaert's conversion try was blocked.

Berkeley received another break when Hayward tried for a first down on their own 41. The Jackets' line tightened and Berkeley took over.

On two plays the Jackets drove to the Farmers' 10 yard line, where Fehely on two consecutive line plunges, scored standing up. This time Geernaert split the uprights.

The next Berkeley score came on a pass from Lawton to Campbell; before being tackled Campbell lateraled to McDonnell, who went 30 yards to score.

As though this score wasn't enough, Fehely intercepted a Farmer pass on the Hayward 35 and went to the five. On the next play Chuck scored again. In the last quarter a Hayward kick was blocked, and rolled into the end zone for a safety.

RICHMOND GAME

Three plunges into the end zone spelled defeat for the Richmond Oilers as the Jackets took their third straight ACAL encounter by a score of 18-7.

The Jackets hit pay dirt first in the opening quarter when Doug Gordon ended a sustained drive by hammering over from the two yard line. In that same period the Oilers scored their only touchdown which was set up by a long pass play. Bunky Flores was the man that scored for Richmond. In the second quarter Gordon again plunged over, ending another long Berkeley drive that was sparked by backs Al Peterson and John Flemming. In the third quarter the Jackets took over on downs and started driving again. From the mid-field stripe, Chuck Fehely drove down to the Oilers' 25 yard line on three plays. From this point Flemming gained 12 yards down to the 13. Three plays later fullback Pete Parrish scored on another line plunge.

In the last quarter, on two consecutive pass plays, the Oilers reached the Jackets' three yard line. But on the second play end Albert Bowers of the Jackets threw Flores (Believe It or Not) for a 30 yard loss, thus ending Richmond's threat to score.

ALAMEDA GAME

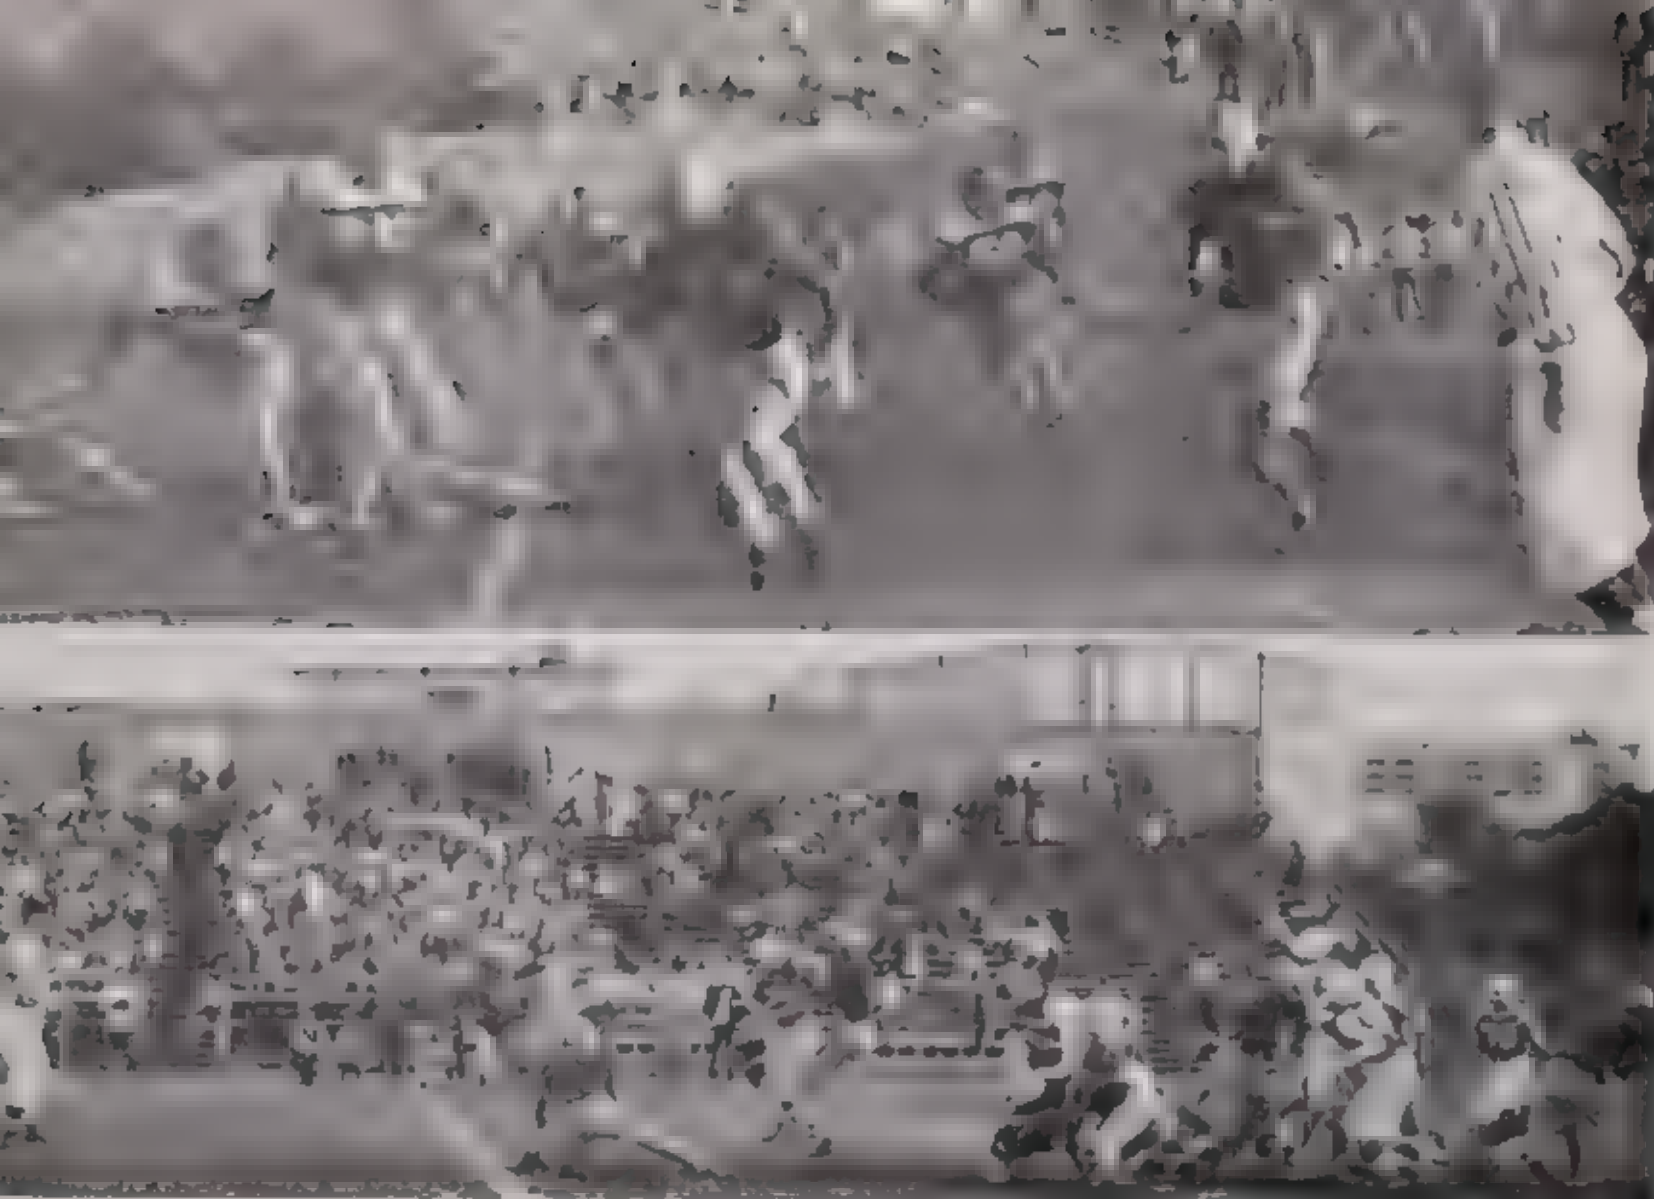

In knocking over the last possible big threat to this year's ACAL title, the Berkeley Jackets edged a fighting Alameda squad 14 to 7 at Krusi Park.

The Hornets hit the scoring column first, when in the second quarter Hornet fullback John Dronkers intercepted Lawton's pass on his own 35 and raced 40 yards to the Jackets 25 yard line. On the next three plays the Hornets gained a first down. On the next play a pass gave them 6 points. With the conversion good, the Hornets went ahead 7-0.

The Jackets were quick to come back into the game by running the ball down to the Hornet 11 yard line. On four plays Fehely banged his way over for the score. Geernaert converted to tie the score at 7 all.

At the beginning of the third quarter, Flemming skirted the left end for 20 yards and the final T.D. Geernaert again converted to make the score 14-7.

In the fourth quarter Berkeley fell short of another T.D. on the Hornet 2 yard line. When Alameda took over, they kicked out and the ball was run back to the Alameda 20. On a series of line bucks, Doug Gordon drove down to the 10 yard line, but the final gun ended any more possible scoring.

ALBANY GAME

Sparked by fullback Chuck Fehely, who scored three touchdowns, the Berkeley Jackets took an easy 31-0 victory from the visiting Albany Cougars. Fehely scored his first T.D. in the second quarter, and his running mate Al Peterson raced 58 yards to score the other to establish a 13-0 half time lead.

In the third quarter Fehely climaxed a 44 yard drive by scoring from the two. That man Fehely again registered another six points by later plunging over late in the third quarter. The fifth and final touchdown was scored by Emmitt Thompson who took a Cougar punt on his own 48 yard line and went a straight 52 yards to score.

EL CERRITO GAME

In their final grid tilt of the season the Jackets won the ACAL crown and stretched their record to twenty-five undefeated starts by walloping the El Cerrito Gauchos, 45 to 0.

Dalton broke the ice by scoring first from the one yard line on a line buck. Geernaert's conversion attempt failed. Within three more minutes Berkeley's Peterson tallied six more and the conversion was good. Another second quarter score came when Bill Feuillard rambled 18 yards to pay dirt.

The Jackets scored 19 digits in the third quarter and in the fourth Fehely ended the day's scoring with a 22 yard run to cross the goal standing.

BLOCK "B"

Celebrating our victory over our "Big-Game" rivals, Piedmont High School, the Block B came through with a rollicking victory ball. That night a sellout crowd saw Helen Johnson elected "Football Queen of 1947" besides enjoying a wonderful evening. Another Block B event is still to come and that is the banquet. Football movies of several Berkeley High games this year will be shown.

At this point I would like to thank my fellow Block B members, Mr. Nealson, and the other Block B officers, Dave Wood, vice president; Geoff Thomas, secretary; Joe O'Brien, treasurer; Larry Marsh, sergeant-at-arms, for making this term another success for the Block B.

Next term's Block B will be one of the biggest in the school's history, and I know whoever the officers may be that they will come through the term adding another triumph to the reputation of the Block B.

GEORGE McDONNELL,
Block B President,
Fall Term, 1947

CIRCLE "B"

This semester the Bee Society has really begun to function as a going organization. The reasons for this increased activity are that the membership is increasing and that the members are taking a greater interest in the functions and purposes of the Society. The latter reason has been very evident this year as the members and officers have had many meetings during which there was much discussion about improving the Society.

This semester the Bee Society was sponsored by Mr. Jack MacFarland, who was always ready to give the officers and members any help they needed. Mr. MacFarland's spirit contributed greatly to the Society's being a success this semester.

The officers who served this year were: Bill Stoner, president; Don Schwab, vice president; Henry Stone, secretary, and Paul Schubert, treasurer. We hope that future officers will have as fine a group to work with as we had this term.
